Mike-

We are checking with CARB to see if they can be available. I agree it would be useful for them to attend.

Chris,

Thank you for agreeing to meet next Monday. In attendance from FCA will be myself, Bob Lee (Head of Powertrain), and Mark Chernoby (Chief Technical Compliance Officer).

I would just like to confirm our intent for this meeting is to only discuss the 2017MY certification. As such, we will not have any legal representation participate. Also, since we are on a critical timeline for our production, would you agree to requesting CARB to call in?

Please let me know your thoughts.

Thanks

Mike
